

Where Were You

Song By CAM HUXFORD IV
Arrangement by CAM HUXFORD IV and BRIAN EICHELBERGER

Part 1:

I said...

G

God, I do not understand this world

Em

Everything is dying and broken

C

Why do I see nothing but

G

suffering

God, I'm asking could this be your plan

Sin has taken hold of this whole land

Will you not say anything

else to me

Part 2:

1.

He said. . .

G

Where were you the day that I measured

Am

Sunk the base and stretched the line over

C

All the the earth and carved out it's

G

cornerstone

Where were you the day that I spoke and

Told the sun to split the night open

Called the morning dawn with its light to show

2:

Who shut in the ocean with stone doors

Marked the reach of tides on those new shores

On the day the waves rose and first broke forth

Have you seen the springs of that great sea

Walked the caverns carved in the black deep

Through the gates of darkness there on its floor

Part 2 (cont.)

3:

G

Have you seen the armory I hold

Em

Snow and hail are stacked up in silos

C

G

For the times of trouble and war and strife

Can you raise your voice to the storm cloud

Would the thunder answer and ring out

Does the lightning ask you where it should strike

4:

Who has cleft a channel for torrents

Rain to sprout the desert with forests

In the wilderness that my hand has filled

Can you hunt the prey for young Lions

Can you loose the chords of Orion

Is this whole world bending beneath your will

Outro:

D

C

I spoke of things I did not understand

D

Things to wonderful for me

C

Although I had no right to ask

G

My God knelt and answered me
